The undersigned hereby transfer any and all rights in and to the paper including without limitation all copyrights to The International Journal of Computer Engineering & Sciences (IJCES). The undersigned hereby represents and warrants that the paper is original and that he/she is the author of the paper, except for material that is clearly identified as its original source, with permission notices from the copyright owners where required. The undersigned represents that he/she has the power and authority to make and execute this assignment. IJCES including its editorial board and staff, assumes no responsibility for any injury, damage, or loss to persons or property resulting from the use of any content, method, product, or procedure described or implied in this publication. This includes, but is not limited to, liability arising from negligence or the use of AI-generated content and/or plagiarized material. Furthermore, the journal reserves the full right to retract any published paper—temporarily or permanently—upon receipt of a valid complaint or evidence of ethical misconduct.

This agreement is to be signed by at least one of the authors who have obtained the assent of the co-author(s) where applicable.
